Firsts Match Report

CCGS 52 vs Redlands 65

From the beginning it was a tight game with both teams refusing to give in and the score line being goal for goal. Halfway through the first quarter however, CCGS managed to get a turnover and closed the quarter with a two point lead.

Second quarter saw a huge level of skill and cohesion among the time with CCGS managing to maintain their close lead until three minutes remaining of the quarter when Chev managed to obtain a turnover which led to an even half time score.

The third quarter was again demanding, and we brought on a fresh set of legs in WA which showed to prove helpful on the defensive side. Chev had the determination to turn over a few balls which led to three quarter time, CCGS trailing by 5.

The last quarter started slow and everyone seemed to have a little less determination than their opponent. However, CCGS still played hard and diligently. Unfortunately, Chev was just to relentless and managed to beat CCGS first by 12 with the final score being 58-46. The player of the match went to Zoe Mitchell who had constant, high intensity defence and the ability to bounce back countless times, she had numerous turn overs and turn over assists.

Intermediate A Match Report

CCGS 43 defeated by Chevalier 44

Great game had by all Saturday! I was so proud of the girls in every aspect of their game.

They have taken all they've learned and proved themselves on the court.

The defensive end turnovers were amazing getting the ball down court with mid court timing their drives in turn with shooting end converting and rebounding wonderfully!

A special shout out to Sophia playing GK, she showed us what she could really do and came off with a smile on her face every quarter, also Jaz in shooting end moving down court with perfectly timed drives into the circle with her and Georgia making a beautiful combination complimenting each others play! Eliza playing a different position of WD putting her all in along with Sami, Tahlia, Maddy, Priya and Estelle making that ball flow beautifully down the court.

Which brings us to Xanthe. She played her heart out in GD right through to last quarter injuring an ankle. Hope we have you back soon Xanthe you will be missed on the court!! We ended with a loss by 1, we will change that next time we meet!

See you all next week!

Junior A Match Report

CCGS 16 lost to Redlands 39

The CCGS Junior A's went down to a very strong Chevalier 39 to 16 but were both valiant and gracious in defeat. I could not fault the effort or the attitude of the team.

They were trying everything to get and keep possession of the ball but the passing options in the circle let them down. The defence was strong and had many turnovers but we couldn't capitalize on them. They continued to play to the best of their ability and not once gave up. We do have a few things to work on at training but very proud coach and thank you for all your hard work.

Junior B Match Report

Junior B's were defeated by Chevalier College 14 to 23

Chev got a good lead ion the first quarter and we kept with them the next three quarters, but we couldn't catch them. Thank you to co-captain Kate and also to Maddison for playing any position I ask. Thanks Elizabeth for your first game as GD – you played consistently.
