CCGS 1sts XV

CCGS 5 defeated by All Saints’ 32
(Try: Brennan)

CCGS were overpowered by a much bigger and robust forward pack. All Saints pilfered much of our ball in the rucks and mauls and as a result had a greater percentage of possession thus having CCGS continually on the back foot. When opportunities were presented CCGS showed glimpses of positive go forward rugby. This was the case when, after a number of solid phases, Cade picked up the ball at the back of the ruck and barged his way over the line for a well deserved try.
All Saints were too good on the day and came away with a solid win.
CCGS Under 16

CCGS 16s 10 defeated by All Saints’ 17
(Tries: McGuiness, Baines)

The score was really only 3 tries to two. But what a game. Both sides wanted the win. Torrid Defence against Excellent Attack. Playing the first place undefeated team was going to be a challenge. We started strongly with line defence however conceding a try early. We came back with forward enthusiasm and equalised 5 all - the attempt at goal shaved the upright.
The second half was a different matter. Forward momentum turned into points with Nic Baines scoring in the corner. For most of the half, the contest was even. It was only in the last 10 minutes where we allowed 2 tries to be scored against us. This was a positive game where team spirit lifted another notch and work around the park improved.

Fitness will count next term and holiday exercise will be an important part of our relaxation. The team has a great chance of being in the Finals - attitude and fitness will be the measure. Without the assistance of many Under 15 players, we would not have been competitive. Those boys showed stamina and wonderful team and school spirit. Thank you.
CCGS Under 14

CCGS 14s 12 defeated by All Saints’ 28
(Tries: Brown, Bennett. Goal Mare)

The boys had the return game against All Saints College this week. Having lost a number of players due to injury and other misadventures we were lucky to have 15 to start the game. Despite the disrupted preparation the boys came out firing and were on the scoreboard quickly due to some strong running by the forward pack. The problem on the other hand was that we couldn’t convert the opportunities we had with the ball into points. The second half proved to be evenly balanced although some late tries in the end by All Saints proved to be the difference. A real positive for the team was that they never gave up and were continually improving on the simple things that we have been working on in training. A well-deserved break is on the horizon as the boys regroup and hopefully have some fit players back on deck in term 3. Keep up the good work and it was a great team effort this week.

3points – Conor Hingerty
2points – James Stimson
1point – Will Bastick

CCGS Under 13

CCGS 13s 0 All Saints’ 50

All Saints were a very strong side who applied pressure early and never let up. There were stages during the game where we were competitive and showed some promising signs in attack and defence. The main positive from the day was that the boys never gave up and put in everything they had. It was great to have Max play for us for the first time. He was outstanding in attack and defence. He really troubled the opposition and was unlucky not to score on several occasions. It was only last minute defence from the opposition that stopped him. Brodie had his best game of the season. He made some great runs and made a lot of quality tackles. Rory H was the backbone of the side this week. He continued to motivate and encourage his team. He led by example and gave his absolute all to the team. Other players to impress included Oliver, Henry, Tyson, Bryce and Cooper. I know it has been a tough season so far, but I can’t tell you how proud I am of you all for hanging in there and continuing to improve yourselves. I wish you all a safe and happy holiday.
